

ALUN RHYS JONES

A laser-cut red carpet ushers us into this immaculate series of pop paintings and designer "consumables", suggesting Andy Warhol's prediction that everyone will be world-famous for 15 minutes, yet Rhys Jones's graphic sensibility ensures his candy-coloured vision lingers longer.

Until December 2. Thursday-Sunday, 1-6pm, MOP Projects, 2/39 Abercrombie Street, Chippendale, 9699 3955.
